

Spring 2008

Dear Sacramento Valley Business,

We am writing to you in regard to Homeward Bound Golden Retriever Rescue and Sanctuary, Inc. Homeward Bound is a group of 200 volunteers that rescue an average of 500 dogs (from shelters, owner surrenders, regardless of health or injury) every year from Washington State to Mexico City and find, new loving homes for them throughout California. Our vet bills from 2007 were over \$305,263 which helped so many dogs.

Homeward Bound's major fundraiser each year is Kibble and Bids,™ a wonderful evening of food, wine and both silent and live auctions. The event was attended by over 1000 animal lovers in 2007. Kibble and Bids is widely advertised in both print and on television. This year, Kibble and Bids will be held on September 6, 2008, at The Riverwood Estate, a private home located on the bank of the Sacramento River. Your support translates into funds for routine veterinary care, non-routine surgeries of all specialties, heartworm treatment, medications, food, treats, and "lodging"!

All donors are listed in our souvenir program and this year we also have ad space for those individuals and businesses that would like more prominent exposure to our supporters attending Kibble & Bids from the Sacramento and Bay Areas of California.

Please consider placing an ad in our souvenir booklet at the following rates:
