Homeward Bound's "PUP" Project According to the dogs, one of the most important daily activities are walks around the property. Exercise, fun, training, a break in the day and a chance to bond – these are all benefits of our walking program. But our walking path is in desperate need of improvement. A new walking path will improve safety for the dogs and the volunteers. Introducing the Pathway Upgrade Project (PUP). No more potholes to trip up the volunteers, no more mud puddles to slog through in the winter. No more thorny stickers to avoid or slippery slopes to maneuver! You can help us get our new walking path by purchasing a spot on our Goldenopoly game board.

The prices range from \$25 to \$5,000. You may purchase one property on our specially themed board – or several. Your donation will help us provide a safer, more enjoyable walking environment for the dogs and humans!
